## Extended Warranty

We herewith confirm the extension of the warranty for our underfloor heating pipe:  
PE-RT pipe (oxygen-tight because of EVOH layer): 15x1,5

For a period of 15 years we will provide replacement for:

- 1) MAINFLOOR pipe in the event of damage that is demonstrably due to defects in production or material.
- 2) Damage that is caused by production defects to the property of third parties and any resulting consequential losses.
- 3) Expenses of third parties caused by removing, dismantling, disassembling and clearing of defective products as well as for mounting and laying non-defective products to be supplied by us.

The warranty extends to all MAINFLOOR products mentioned above insofar supplied by us.

No warranty is granted for laying and installation errors. The technical documentation and application guidelines shall be decisive. For coverage, there is an extended product liability insurance with a renowned German insurance company with the following sums insured:

3.000.000,- EUR lump-sum for personal damage as well as economic losses of property and product

2.000.000,- EUR maximum sum for an individual person
